

Your KRAIBURG dealer:

3 functional layers:
6 cm highest lying comfort

sealing lips completely surround the
foam inlay and the lower mat

connecting bar engages flush with the
surface and facilitates professional
installation

The benchmark for excellent lying comfort for more than 10 years

- the three functional layers ensure optimal and permanent softness for every load condition
- the soft lying area within the mat edges supports the correct resting position of the cow and improves slip resistance
- proven pebbled surface
- integrated soft slope to rear edge promotes drying off
- chamfer at the rear edge: gentle on animal joints, no stumbling edge
